Frequently Asked Questions

- **When can I register?** Registration begins on August 4 at 8 AM. You may register in person or over the phone. In-person registrations take priority.
- **What times are available?** Registration is first-come, first-served. Individual times vary based on remaining availability at time of registration. Lessons are offered 7 days a week.
- **How many lessons can I register for?** You may register for either 4 or 8 lessons. Each lesson is 30 minutes long. Most participants choose to take one lesson per week.
- **What if I cannot make a lesson?** Please call 24 hours prior to a scheduled lesson if you are unable to attend your lesson. One makeup will be scheduled per session when a 24-hour advance notice is provided.
- **How fast does the program fill?** In the past, the program has filled within the first day, typically in the first 4-8 hours. Once the program fills, we put the next 20 requests on a wait list.
- **Who is my instructor? Can I choose my teacher?** There are a number of American Red Cross Water Safety Instructors who teach private and semi-private lessons at Roger Carter. All efforts are made to maintain one instructor throughout your lessons. You may request a specific instructor when registering, however, the request is not guaranteed.
- **Can I take semi-private lessons with my children?** All semi-private participants must be of similar age and ability. We have found that age or ability differences are not conducive to learning.
- **Private lessons filled before I could register! What can I do now?** Registration for the next session of private and semi-private lessons will begin December 1. However, if you do not want to wait for the next session, group lessons are offered for all ages and abilities. Roger Carter staff can provide a free assessment to determine which group lesson level is best for you. Register for group lessons online, in person, or over the phone.
